*I'm so glad you're here!!*

*Come on in and have a look around!*

*Welcome to the Grand Opening of my new Web/Blog Site!*

To help you find things, here's an explanation of the Menu.

- 'About' and 'Contact' are self-explanatory. 'About' is similar to – but a good deal shorter than – 'Julie's Page' on my old site. A lot of the information contained on 'Julie's Page' was book-related and can now be found on the new site in a more relevant location.
- 'Posts by Dayna' is my new blog name. You'll find the content similar to what it's always been – a combination of my writing journey, hopefully helpful articles, the 'DIY Interviews,' and more. My site is still – and always will be – 'A Place for Writers.'
- The 'TIME Series' tab is the most exciting change – all the information about my 'TIME Series' books found here – organized in one place. *Janelle's Time*, released in July 2012, is represented with all the details, cover art, purchase information, excerpts, reviews, backstories/biographies (information not included in the book), and more. The other four books each have their own page where I'll be chronicling the activities surrounding each book. For example, my current WIP is *Moria's Time*, but I'll be putting it aside for the month of November to start *Adelle's Time* as my NaNoWriMo project for this year. I'll be updating my progress on *Adelle's Time* throughout the month. Then, I'll be returning to *Moria's Time* as I plan to finish work on it, and have it ready for submission very soon.
- 'DIY Interviews' has moved to this site. Any new 'DIY Interview' submissions will appear on this site in 'Posts by Dayna,' but ALL of the Interviews can be accessed from the DIY Archive page on this site. The DIY Archive page is still active on 'A Place for Writers.' too, but will not be updated after the last Interview there.
- Under 'Contests,' you'll find the information for the current Contest, plus the entries submitted in previous contests. The current contest is three-contests-in-one, and will appeal to a wide variety of writers. Included this time is a Poetry contest, plus the past favorites, Writer's Prompts and Alphabet Stories.
- The tab 'A Place for Writers' is a direct link to my old blog. 'A Place for Writers' will remain live, but static, for the foreseeable future, so your favorite articles, and all the great DIY Interviews can be easily accessed. Just use your back-arrow to come back here when you're done at 'A Place for Writers.'

In other news, just this past week, a Facebook Group I belong to, 'Excerpt Flight Deck for Readers and Writers,' published an anthology: EFD1: Starship Goodreads, which is made up of contributions from twenty-one of the members of EFD. I was fortunate to have a short story, 'The Legend of Corkscrew Swamp,' included in the premier edition. I haven't had the time to read the entire book, but what I have read so far is amazing! IF you're looking for a new favorite author, EFD is a great place to start! For now, the Anthology is available only for the Kindle at Amazon: <http://bit.ly/Starship1>
