Greetings and Happy Holidays to All!!

Welcome to all. It doesn't matter if this is your first visit, or if you're a regular, everyone is welcome here.

A quick note to catch you up on goings on here.

To those who are return visitors, you'll notice a change in the graphics. When I started this website in September of 2012, I used the old graphics because I couldn't find something I liked and was relevant. The new graphics are the result of a long search.

Both **DIY Interviews** - **AND** - **Reviews by Dayna** are now up and running. The response has been great! I want to thank everyone who has participated in one or the other - or both. Click on the respective tabs above for more information.

This site numbers continue to amaze me. Almost 15,000 visitors looked at nearly a half-million page views since March 26, 2014! ***Thank-you, thank-you, thank-you!!!***

In early October, I finished a very long To-Do-List (caused by the time it took to pack and unpack after out move to Lake Placid, FL) and am now working on **Logan's Time**, the next book in my **TIME Series**. If you like historical romances that take place in Scotland with a Duke as the main character, watch this space for more information. If you want a sample, click on the tab **Free Chapters** above and select **Logan's Time**.

Calling all Historical Romance readers!!

I invite you to read and review my books (a review copy will be provided). If you're interested, please, contact me at JulieCJ@aol.com. I'm looking for a limited number of pre-publication reviewers for **Logan's Time**, too. Be the first to review the best book of the series!

Here are the info sheets:

That's about it for now. See you next time.

Take care and have a great holiday season!

Julie/Dayna
